

## How to Strike Out Text on a Digitally Signed Document

1. Locate your zipVault™ folder containing your signed documents and double click to open.

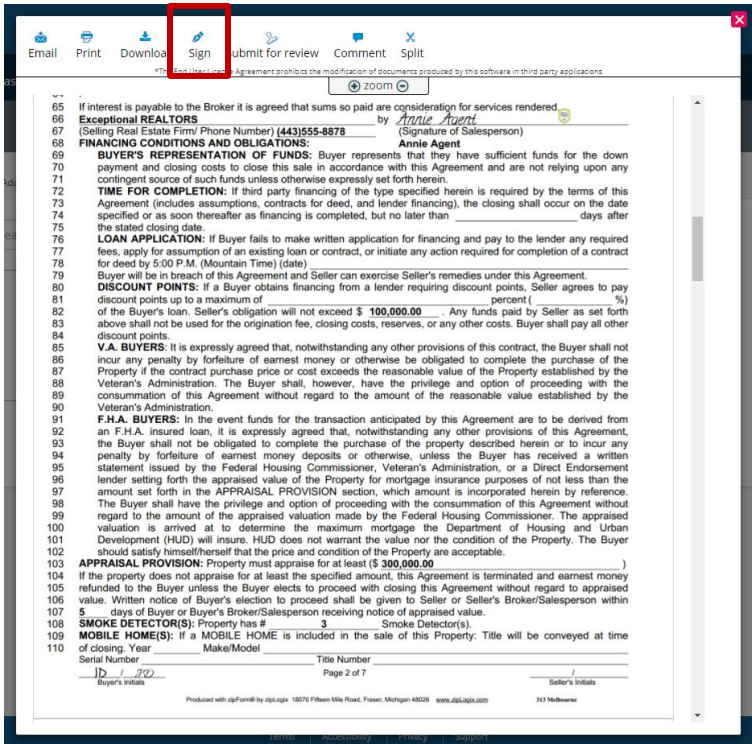

2. Locate the signed document on which you wish to perform the strike-out and open.

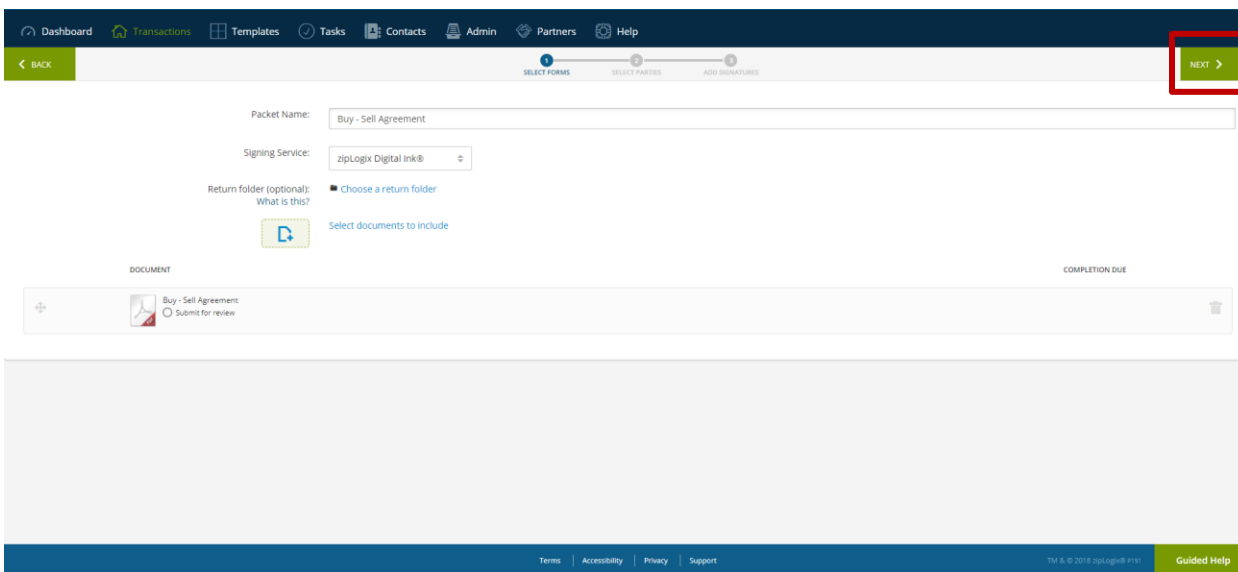

3. From the toolbar at the top of the document preview, click “Sign.”

4. Send the document through the e-Signing process as you normally would.

- Once you reach the “Add Signatures” step, drag and drop a “Text” box over the document text you wish to strike through.
